Unlock the Future of Education with Zoom AI

Join us at the Zoom Education Summit at Tulane University for an exclusive in-person experience designed to help higher education institutions maximize the power of Zoom in their learning environments. This summit brings together educators, IT professionals, AV specialists, and industry experts to explore the latest tools and strategies for transforming education.

This year's event features:

- **Targeted Tracks** for Faculty, IT Staff, and Room Technologists
- **CTS Certification** for AV professionals
- **In-depth Sessions on Zoom AI** and its impact on teaching and collaboration
- **Networking Opportunities** to share best practices with peers

Whether you're looking to enhance your hybrid learning environments, streamline communication, or dive into the future of AI in education, the Zoom Education Summit is your opportunity to stay ahead of the curve. Don't miss out – Register today and take the first step towards transforming your campus experience with Zoom.

Don't miss your chance to join us!

Tuesday and Wednesday, January 27 - 28, 2026
